

KIDS DISCOVERYSM mobile FACTORY

Mobile Factory Options and Pricing

2021-2022

Bring the children's museum to your school or organization with Kids Discovery Mobile Factory. Our Mobile Factory brings STEAM learning to life with student led exploration and discovery. We offer a variety of exhibits and give you the ability to customize your experience. See what all the buzz is about and bring educational play to your school or organization today!

Mobile Factory

Grades Pre-K to 8

Kids Discovery Mobile Factory offers hands-on STEAM discovery with 8 large mobile exhibits and two takeaway activities set up in your school gymnasium. The full Mobile Factory is available for 3 sessions or more, reaching 100 students for every 45 minute session. **The cost is \$250 per session.** (\$750 Minimum, Mileage Fee for events 40+ miles from our location.)

Mobile Factory Requirements:

We ask our hosts to provide the following:

- A full sized gymnasium, or equivalent
- 9-10 banquet tables (6ft or 8ft tables)
- 6 adult volunteers, from set-up to teardown
- Access to 2 electrical outlets
- Space must be handicap accessible

KIDS DISCOVERY mobile FACTORY Exhibits

Kids Discovery Mobile Factory has a variety of exhibits, all designed to be appropriate for kids of all ages and abilities. When you book the full Mobile Factory program, you can customize your experience:

To schedule the Mobile Factory, or for any questions, please contact Vanessa Beetz at:
 Vanessa@KidsDiscoveryFactory.org

Always Included:

Imagination Playground

Ramps, Thrones, Walls, Forts, Build it all!

K'Nex Build & Race

Build your own K'Nex car and race it on the ramp.

Magic Magnets

Harness the power of magnets to create a masterpiece!

Wind & Air Energy

Explore the power of air with our wind tunnel and blower boxes.

Giant Geoboards

The same time tested geometry activity– except on a larger scale.

Choose a Robotics Exhibit:

Dot and Dash

Can you teach a robot to play the xylophone? Or drive around? Test your skills with Dot and Dash.

Cubelets

If you've ever wanted to custom build a robot– this exhibit is for you!

Choose an Engineering Exhibit:

Discovery Ramps

Kids can build simple or complex ramp systems using a variety of wooden parts.

Riga-ma-jig

Future engineers will love harnessing the power of simple machines.

Choose an Art Exhibit:

Gears & Spirographs

Make art with our Gears & Spirographs– including a giant 4 ft Spirograph!

Kaleidoscope Creations

Explore the relationship between art and math by making a beautiful kaleidoscope creation.

Includes two "Take Home" experiences:

Fingerprint Science • Build a Harmonica

Flying Machine Station

* All exhibits and activities are subject to availability. Kids Discovery Mobile Factory reserves the right to make substitutions when necessary.
